CANCELLATION POLICY

Please understand that our surgical time slots are extremely valuable to us. Cancellations with short notice may result in our inability to fill your surgery slot. Therefore, a fee may be charged for our lost surgical time.

- Surgery that is canceled less than 7 working days prior will forfeit the \$500 deposit.
- Surgery that is canceled less than 48 hours or No show will forfeit the total case amount.
- This will not be transferable if you decide to reschedule your surgery.

In unusual circumstances we may need to adjust your date of surgery. We will work with you to find a date and time that is convenient for you.
